Help others grow. Use your will to impact ZBT.

The legacy you leave connects generations and shapes how you are remembered. One way to make a statement about what is important to you is to plan a gift to Zeta Beta Tau Foundation in your will. In addition to being personally satisfying, this type of gift sets an example for others. It also provides important future support for ZBT's mission to fund scholarships and leadership programs. You can plan now and give later, and you retain lifetime control of your assets. There are several options for designating your gift:

- A specific asset or specific amount
- A percentage of your estate
- The residue of your estate—what is left after all other obligations have been met

If you do not have a will, or if your will should be updated, we can provide additional information that will be helpful to you and your attorney. Contact us today, and we will be happy to send it along. It would also be our privilege to help with any gift planning questions you may have.
